

November 2017

We are very grateful for all the support you have been given to us in IDWF. For WIEGO I can add, that the Solidarity Centre is for us a "natural ally" and we can look back on some very good joint projects in supporting informal workers. When we explore and go to an "unknown" country one of our first entry points is always the Solidarity Centre.

We are further counting on you and hope to continue the good relationship.

We will be in touch, this is for sure!

You can be proud of what you have been doing over the last 20 years. So, enjoy the the 20 year celebration!

In solidarity
