

## Summer 2024 Internship Program: Washington, DC

The Solidarity Center is the largest U.S.-based international worker rights organization helping workers attain safe and healthy workplaces, family-supporting wages, dignity on the job and greater equity at work and in their community. Allied with the AFL-CIO, the Solidarity Center assists workers across the globe as, together, they fight discrimination, exploitation and the systems that entrench poverty—to achieve shared prosperity in the global economy.

The Solidarity Center provides a wide range of education, training, research, legal support and other resources to help build strong and effective trade unions and more just and equitable societies. Our programs—in some 60 countries—focus on human and worker rights, union skills, occupational safety and health, economic literacy, human trafficking, women’s empowerment, and bolstering workers in an increasingly informal economy.

The Solidarity Center’s headquarters in Washington, DC is offering in-person internships to undergraduate and graduate students and recent university/college graduates during the summer 2024. Solidarity Center internships provide a great opportunity to work for social justice globally.
